

## **Quit Tea LLC Joins the Natural Products Association to Support the Growing Natural Marketplace**

### *NPA Helps Build Success and Advocates for the Natural Products Industry*

**WASHINGTON, D.C.** December 13, 2014 – Quit Tea LLC is pleased to announce its membership in the Natural Products Association, the nation’s largest and oldest nonprofit organization dedicated to the natural products industry. Quit Tea LLC joins the growing number of natural suppliers nationwide supporting the success of the natural products marketplace.

Since 2010, Quit Tea LLC has offered quality natural products across the nation. Their product Quit Tea is a blend of herbs and spices that is intended to help you replace the habit of smoking with drinking herbal tea. Quit Tea will help temporarily support your willpower, to get through cravings, and start a new healthier life.. In addition, Quit Tea LLC supports organizations that work tobacco health prevention and research.

“I’m excited that Quit Tea LLC has joined the Natural Products Association. I strongly believe in the cause of healthy and natural living and it’s a passion we share with our customers,” said Matt Bucklin, President of Quit Tea LLC. “Membership in NPA will help me serve my customers better by keeping me up to date with the latest product trends and industry info. NPA’s resources for suppliers like me will support the strength and vitality of my business for many years to come.”

“I’m proud to welcome Quit Tea LLC to the Natural Products Association. Each year, more and more consumers are making the choice to go natural in their lives with the products they buy. As an NPA member, Quit Tea LLC has joined a powerful network of the most established natural retailers and esteemed product manufacturers in the industry,” said John Shaw, NPA executive director and CEO.

NPA represents over 1,900 members accounting for more than 10,000 locations of retailers, manufacturers, wholesalers and distributors of natural products, including foods, dietary supplements, and health and beauty aids. NPA has earned national recognition for strong advocacy on behalf of the industry in Washington, D.C., serving as the industry watchdog on legislative and regulatory issues.

NPA created the first and only natural certification in the United States—the Natural Seal. More than 85,000 stores nationwide carry Natural Seal products. View lists of the nearly 1,200 certified natural products and ingredients at [www.TheNaturalSeal.org](http://www.TheNaturalSeal.org). In addition, NPA members benefit from members-only opportunities and cost-saving programs, including exclusive access to industry experts and a variety of discounts for liability and health insurance.
